In 2026, trust is the ultimate business currency. At **#PowerMonday**, we have built a high-trust platform where over 170+ leaders, professionals, and entrepreneurs gather every Monday morning to sharpen their skills and mindset.

Our community is growing rapidly, and our **Zoom platform now accommodates up to 500 participants**. We are offering a select opportunity for **one exclusive partner per month** to sponsor these high-impact sessions.

### **Why Partner with Us?**

- **Premium Visibility:** Your logo will be featured on the moderator's Zoom background during live sessions, and/or on our dedicated #PowerMonday webpage, and across our social media platforms.
- **A Seat at the Table:** You will have the opportunity to provide a guest speaker for a session tailored to your expertise, and deliver the Vote of Thanks at each session you sponsor.
- **Evergreen Marketing:** All sessions are recorded and uploaded to our YouTube channel, ensuring your brand continues to reach audiences long after the live meeting ends.
- **Engaged Audience:** Our sessions attract high attendance and deep engagement on a variety of topics. The highest attended session this year had 197 participants. We look forward to reaching over 250 by end of the year.

### **Sponsorship Value**

By sponsoring #PowerMonday, you aren't just buying ad space; you are becoming part of a weekly ritual that powers the careers of professionals in Kenya and beyond.

To get all the above-mentioned, you can choose from the below packages:

- The monthly package is KES 15000.00 for a minimum of 3 months; totaling to KES 45000.00
- Six-months package, which is KES 75000.00
- One-year package, which is KES 110,000.00.

It is exclusive sponsoring, which means we only pick one sponsor at a time (for the given months). This avoids crowding of logos, and provides ample time for showcasing your produces.

Many people have previously received businesses by partnering with #PowerMonday in the dinner, and this is bigger than the dinner.

The sponsorship funds are to be channelled to the #PowerMonday Account below:
